Dear Editor:

With two Virginia Television stations offering "free" time for a political debate between the two candidates for governor, I cannot understand why the so-called Republican Candidate, Mr. Godwin has failed to accept the offer!

With campaign costs as shigh as they are today, any candidate should jump at the chance to appear before Virginians to express their views, without the needed thousands of dollars. The people must know the issues and each candidates views on them.

But it appears today that Mr. Godwin will not debate, he prefers to keep the "golden silence."

Henry Howell welcomes the chance to bring the issues before the people because he is "The Peoples Candidate."

Lets not have anymore "golden silence" in this wonderful state of Virginia! Lets elect Henry Howell as our next governor!

Father: "My boy, I never kissed a girl until I met your mother. Will you be able to say the same thing to your son?"

Junior: "Yes, Dad. But not with such a straight face."

Used To It

"Just why do you want a married man to work for you, rather than a bachelor?" asked the curious friend.

"Well," sighed the employer, "the married men don't get so upset if I yell at them."

Neighborly

The only woman who'll listen to both sides of an argument is the woman who lives next door.
